so efficient.

5 Homesteads Taken Out In One Week In October

During the week of October 9th to 15th inclusive, 55 homesteads were taken out at the Edmonton Land Office. This compares very favorably with the records throughout the summer, and is very much in excess of the number filed upon during the same period of 1927, when 16 homesteads and one soldier's grant were taken out.

Major Burnham To Carry On Investigations In Arctic Regions

In the bleak and frozen reaches of Canada's Arctic regions an intrepid and experienced explorer of the department of interior will labor during the long winter months, collecting valuable data and otherwise add to the knowledge and conditions existing among the wards of the Dominion, the Eskimo. The investigator is Major L. T. Burwash, of the Northwest Territories.
